

## JOIN US ON READING THROUGH THE NEW TESTAMENT IN 90 DAYS!

1. Before you start reading each day, take some time to pray and ask God to direct you and speak to you through His word. Ask: *"God, please show me your heart and how you think. God, please show me how to live and love like Jesus."*
2. Choose the time of day for reading that best suits your schedule and ability to read, whether this is day or night, is an individual preference. Also, make it possible to sit long enough to complete the reading once you begin, get comfortable and settle in for a period of time. As you start the reading plan, perhaps you can even try different times and settings until you feel like you have found the best approach for reading. You should also choose a Bible translation that best fits your reading style. As you start the reading plan you may want to try a couple of different translations until you find what best suites you.
